The accident occurred on Rt. 460 at the intersection with Route 667. Totty was hospitalized, and his car completely demolished. Bus driver Jeter Smith, Meherrin, blamed the glare of oncoming cars for his failure to see Totty's automobile preparing for a left turn on to Route 667. VOTE

Vote For Appomattox!

Every day, every week, every year!

"Trade and Do Business at Home is a Winning Ticket"

Once every two years, the American people have the responsibility of electing a citizen from their respective districts to speak for them in the House of Representatives. It is our sacred duty and responsibility to vote in these elections and all other elections, both national and local. This is a most important part of our "Free American Way of Life."

But every day, every week, every year, there is another way you can "vote." That is to vote FOR your home-town community and its business interests.

When you do business in your home community you are voting "FOR" that community. By that, we mean that you are casting your support to the cause nearest home, you are voting to sustain the economy of your neighborhood, you are standing up to be counted for the growth and prosperity of your friends, your home institutions, and yourself.

As Appomattox business people, we solicit your support. We are "running" on a "platform" of community service. Our goal is to serve you and make it to your advantage to be an Appomattox Booster.

We are always proud to see you and want to serve you in every courteous and efficient way. Let's join together to make Appomattox the winner in the business growth election . . . which is held every business day!
